EARLY MORNING FIRE

At Hockaday Drugstore Does Considerable Damage — Loss Estimated \$1,500 — Hendrickson Paint Store Also Loses About \$500 Worth of Rugs and Window Shades By Water.

Fire this morning about 4 o'clock was discovered by Mr. Earl Dryden in the second floor of the Hockaday Drug Store at the corner of Second and Sutton streets. Mr. Dryden works on the night shift at the Maysville Cotton Mills and was returning to his home in the East End. He immediately turned in the alarm and the Fire Department responded promptly.

When the Fire Department arrived on the scene the whole second floor seemed to be a mass of flames. In a very short time Chief Newell had water flooding the room and in about thirty minutes the blaze was under control.

The fire burned through the wall that adjoins the Hendrickson Paint Company and filled that store full of smoke. About \$500 damage was done to a stock of rugs and window shades. The cause of the fire is unknown but it is more than likely that it was caused by the spontaneous combustion of some chemicals in the drug store. The loss to the building and contents is estimated at about \$1,500. The losses are fully covered by insurance.

At the time of the fire a strong northeastern wind was blowing and if the fire had gotten from the confines of the building it would have quickly spread to the adjoining property. Mr. Dryden's timely discovery probably saved Maysville from one of the worst conflagrations in years.

CAMPAIGN

For Enrolling Boys in Boys' Working Reserve To Start Next Monday—Executive Committee and Enrolling Officers Appointed.

On next Monday the campaign for enrolling boys in the Boys' Working Reserve will begin. Every boy between the age of 16 and 21 who will pledge himself to do farm work or industrial work producing war supplies will be urged to join the Boys' Working Reserve. All boys who will pledge to do 36 days farm work during the season either for their father, themselves, or some farmer for wage will be eligible in the U. S. Boys' Working Reserve.

Phila C. Dix, of Louisville, the state director of the Boys' Working Reserve, has appointed Mr. C. S. Dale, principal of the High School, as chairman for this county. Mr. Dale has appointed Mr. G. H. Turnipseed, vice chairman; Carl Dodds, secretary of Chamber of Commerce, secretary of the county organization; H. C. Curran, attorney in charge of the boys' solicitations, and E. F. Boyd, county agent, as farm labor advisor.

The above mentioned men will constitute the Executive Committee which shall look after the work of the organization for this season. The Executive Committee has appointed the following as enrolling officers in the several magisterial districts.

District No. 1—C. S. Dale.
 District No. 2—W. T. Berry.
 District No. 3—J. C. Caldwell.
 District No. 4—Mrs. Lucien Maltby.
 District No. 5—G. E. Everett.
 District No. 6—Miss Allie King.
 District No. 7—Miss Elizabeth Murphy.

District No. 8—Miss Flossie Jones.
 The Chamber of Commerce will be the enrolling headquarters for the Boys' Working Reserve.

FLOOD STAGE

In Ohio River Will Probably Be Here Today—Wharfboat Almost Completely Submerged.

As a result of the rains in the upper Ohio river district the river is expected to pass the flood stage here sometime today. At 9 o'clock this morning the gauge at the foot of Market street registered 46 feet and still rising rapidly. The danger line is 50 feet. Warning has been sent out to all those living in the lowlands to move immediately as present indications are that the crest of the rise will be about 54 feet. Although there is no danger of a big flood, there will be some little discomfort and inconvenience to those in the immediate vicinity of the water and within the danger line.

The wharfboat, which was partly sunk about two weeks ago, is now almost completely submerged and it is feared by Captain Phister, the owner, that the boat may go to pieces. It has a concrete bottom, and as it is rather old and with a hole in one side, will probably never be salvaged.

DEATH OF MRS. J. O. HEDGES

Mrs. J. O. Hedges, of Lexington, formerly Miss Elizabeth Phelps, of this city died at the Good Samaritan Hospital in Lexington yesterday afternoon at 3 o'clock after an illness of several months. She is survived by her husband and a four-months-old baby. She is sister of Mrs. Lula Ingram and Mrs. W. H. Ross, of this city.

NOTED SPEAKERS

To Be Here March 29—Dr. Lyman Abbott, Editor of the Outlook, and Dr. Ernest Powell, Noted Orator and Thinker, To Honor Maysville by a Visit and Will Address Patriotic Meeting.

The following communication was received by Secretary Dodds of the Chamber of Commerce:

"My dear Mr. Dodds:

"I have just received telegrams from Dr. Lyman Abbott, the noted orator and thinker, of New York City, and Dr. Ernest Powell, editor of the Outlook, of New York City, and they have agreed to speak in Kentucky for one week. No two greater speakers have ever entered our Commonwealth. They will be at your service for March 29th. Of course, I am deeply interested in seeing that they have a great body of people to hear them. Their distinction and their careers, as well as the motives that prompt them to come to us, justify a most cordial and enthusiastic reception and a great hearing. Dr. Abbott has become deeply interested in these campaigns and he is anxious to get in touch with them at first hand. May I count on you, and all of the patriotic organizations and citizens of your county, to see that they have great hearings and a genuine Kentucky reception? I am leaving this matter in your hands and other hands. Trust you will organize all of the forces behind the meetings and make the 29th a red letter day in your city and county. They will be in Ashland, Ky., on the 26th and speak there on the night of the 26th. I am especially interested in making these meetings the greatest ever held in Kentucky. The League to Enforce Peace, which has ex-President Taft as its President, is greatly interested and we are securing these men through the League's influence. I should be glad to hear from you. With all good wishes, I am,
 "Fraternally yours,
 "H. H. CHERRY."

Secretary Dodds states that arrangements will be made for a patriotic mass meeting. It is more than probable that the Women's Committee of the Council of National Defense will assist the Chamber of Commerce

SUIT FILED AGAINST O. L. BARTLETT FOR POSSESSION OF PROPERTY

In the Mason Circuit Court yesterday Barbara Holtz, et als, filed suit against O. L. Bartlett asking possession of their property at 112 and 114 Market street, and occupied by Mr. Bartlett as a garage. The plaintiff states that the defendant has failed to pay his regular rent, of \$30 per month for the past six months and has failed and refused to give them possession of the property. The plaintiff asks for judgment giving possession of the house and premises, for \$50 for withholding possession of the property, for \$180 in rents and interest accorded and for damage for the rents and interest that may accrue pending the action of the suit in court.

PLAYING POLITICS WITH 'PATRIOTISM'

Prof. Charles A. Greathouse, of Indianapolis, is a member of the new national vocational education board, under appointment by President Wilson, at a salary of six thousand dollars a year. He performs at the same time, evidently with administration approval, the functions of chairman of the Indiana Democratic state central committee, thus mixing politics and education in a manner strictly in accord with the tenets of one school of political uplifters. As chairman of the Indiana Democratic state organization, and an administration appointee, Mr. Greathouse said at a recent Democratic political meeting in Indiana:

"Let the disloyal and pro-German votes go to the Republican party, where they are welcome."

This statement of Chairman Greathouse follows a recent meeting of the Democratic state committee, at which the decision was solemnly reached that the party organization would make "loyalty" the issue in the Indiana campaign of 1918, and would take the position that you couldn't be a patriot and at the same a Republican.

It is estimated that three-fourths of the war work in Indiana up to this time has been performed by Republicans; that is, the volunteer, unpaid war work; the war jobs with salaries attached, are being held down by super-patriots like Chairman Greathouse. Senator Stone, of Missouri, that eminent Democratic patriot, recently complained in a speech in the Senate that most of the non-salaried posts in connection with war activities in Indiana were being filled by Republicans which of course is explained by the fact that the Democrats are busy filling the pay roll places. The Republican state chairman, Mr. Hays, recently elected Republican national chairman, has been for months engaged in war work as chairman of the Indiana state council of defense, serving without salary and at great personal sacrifice. He has perfected what is pronounced by administration officials, the most efficient state council of defense in the country. Indiana has ten Republican members of the House of Representatives and two Republican members of the Senate. They have voted for every law and every appropriation demanded by the administration as a war measure, even some that didn't seem to be war measures at all.

Yet Chairman and Federal Job Holder Greathouse declares that the disloyal and pro-German votes are welcome in the Republican party of Indiana. Such utterance as this help explain the failure of the national administration to create an era of political good feeling in the country at a time when party lines would absolutely be obliterated if the party in power were willing to drop partisanship instead of engaging in all too palpable attempt to utilize the war for party purposes. Of this desire the utterance of Chairman Greathouse, of Indiana, a Presidential appointee, is the latest and most glaring evidence. It will be resented and punished by the people of Indiana and other states at the polls in November.

MUD

Somebody is all wrought up over the discovery that there is mud in the training camps. Horrible!

If that is the worst thing that can be said about them, what care have we? True, nobody wants our boys to plough through the mud, but unfortunately, it's just what they are training for—the mud is deep in Flanders.

Instead of worrying about the mud on their waterproof shoes, let's get out onto the farms and into the gardens and back up the boys with a little mud on our own shoes.

Better mud on the shoes than a muddy tide of Prussianism overwhelming democracy.

General Kaledines, the brilliant leader of the Don Cossacks, committed suicide because he found a Bolshevik world was no place for a gentleman.

BELL'S FAMOUS HAWAIIANS

Big Hawaiian attraction into visit Maysville.

Far across the Pacific to the land of the tuneful Ukulele and merry Hula Malone is the trip that Mr. T. M. Russell, Manager of the Washington Theater has secured for a visit to this city for one day, commencing Tuesday, March 19, when Bell's Famous Hawaiians will present their Hawaiian-American musical satire, a masterpiece from the western isles.

Many patrons of the Washington will, no doubt, recollect the pleasing musical offering "The Bird of Paradise." Bell's Famous Hawaiians are considered by both press and public as equal to this wonderful success.

The scenery is most elaborate, showing the beach at Waikiki which is one of the most beautiful scenic beaches in the world. It is faithfully reproduced, and in the distance may be seen the heights of Diamond Head Mountain. This scene is most realistic as the smoke is seen issuing from the crater in the distance, and floating across the landscape. Native cottages nestle comfortably around its

base in the shadow of numerous palm trees, and the rippling waters may be seen as they break on the smooth white beach of Waikiki. The ancient Hew Tree is also faithfully reproduced in the shadow of which the Hawaiian Monarchs used to sit and listen to the soothing music of the native musicians. Large plantations of coconuts, pineapples and bananas have their place in the scenery. Princess Lei Lehula, an attractive dark skin maiden, who is the daughter of a famous Hawaiian Chief, adds color and realism to the Hawaiian setting with her Hawaiian dances, while Bell's Famous Hawaiians will transport the patrons of the Washington Theater to their Pacific paradise, with the mysterious, charming strains of their melodious Hawaiian instruments. Mark Twain once said there was no foreign land that held any charm for him except Hawaii. It is a bit of this illusive charm which has entranced all those who have visited Hawaii, that will be reproduced, and those who have the pleasure of enjoying this novel attraction will not forget the visit of these artists to this city.

GENERAL MEMBERSHIP

Of Chamber of Commerce Meets to Discuss War Chest Association—Corporation to Be Formed to Take Care of Various Calls For Financial Aid.

A meeting of the general membership of the Chamber of Commerce was held on Tuesday evening for the purpose of discussing a War Chest Association for Mason county, such as is being operated in other cities.

Mr. W. W. Ball, Jr., was chairman of the meeting and he explained the plan as it is being operated by the other cities. Mr. W. D. Cochran stated that he was of the opinion that such a plan would meet the numerous calls for contribution of government agencies in a more satisfactory manner.

Mr. H. H. Barkley was very enthusiastic over the plan, having heard it outlined by Mr. Charles S. Anderson, of Columbus, Ohio, at the weekly luncheon of the Advertisers Club at Cincinnati last week. Mr. Barkley felt that it would prove satisfactory to the merchants of the city as only one canvass and contribution would be necessary and would give the merchants more time to devote to their affairs.

Hon. J. N. Kehoe said that he had studied the plan very thoroughly and was of the opinion that we need some such plan in Maysville. He felt that while it was nice to know that we were exceeding our quota in each canvass, we were doing ourselves an injustice in assuming the burden of some counties that failed to do their part. He believes that we should and will do our part in every campaign and with the War Chest Association plan in operation we can more quickly and satisfactorily comply with any call for contribution for the aid of any organized governmental war agency.

Mr. Kehoe suggested that a committee be appointed from this meeting whose duty it shall be to arrange for another meeting at which time representation from every precinct in the county would be present and the final arrangements for adopting the plan and campaign drive would be made; the War Chest Association to be a corporation without capital stock or profit for the purpose of raising and distributing all war contributions to be made by the people of Mason county. This corporation is to be organized under state laws, with officers and directors from every precinct in the county, to the end that Mason county may contribute its full and fair quota to each call made upon it and that each citizen shall do likewise. He said that we shall not as

Washington — Representative A. B. Rouse, of Kentucky, introduced a bill in the House authorizing and directing the Secretary of War to make a preliminary survey for the construction of an ice pier on the south side of the Ohio River in the vicinity of Covington and Newport. Mr. Rouse intends to offer this as an amendment to the river and harbor bill.

The chairman appointed a committee which will make arrangements for a meeting in the near future, when the plans for the organization and the campaign drive will be explained. It was suggested that the drive take place about the last of May, when the national Red Cross drive will be on, as the funds from this association will be used to pay Mason county's allotment to the Red Cross war fund.

ANNUAL MEETING OF WOMAN'S CLUB

The ninth district annual meeting of the Kentucky Federation of Woman's Club will be held in Maysville at the Woman's Club room Thursday, March 28.

It is hoped to make this a memorable meeting for the ninth district as the work of the Woman's Club has been almost mainly confined to war

relief work. Much of the program for this meeting will be on war relief work of the Kentucky women.

Many of the state officers will be present at this meeting and many delegates from the ninth district. The morning session will open at 10 o'clock and the afternoon session will be from 1 to 4 o'clock. The public is invited to attend the sessions.

U. S. BOYS' WORKING RESERVE

The Call to Youth
Never before has the boy had such an opportunity to become a vital factor in history. Every boy who lives his country should ask himself, "How Can I Best Serve the Nation in the War Emergency?" He should realize that, having received untold benefits from the freest and best government on earth, he holds his services in trust for the preservation of Democracy on which that government rests. Although he may have to endure aching limbs and sore muscles in field and factory he will be happy in the consciousness that he has had a real part in winning the war. With true pride and satisfaction he will show in after years his Reserve Badge of Honor granted by the United States for his faithful and loyal service. If not enlisted in the Army or Navy no boy can better serve his country than by joining the U. S. Boys' Working Reserve.

To The Parents
Fathers and mothers of the nation should see to it that their sons are members of the Reserve. The Reserve is entirely voluntary and a boy may be withdrawn from membership in the discretion of the parent. If a boy is in school, he will not be taken from his studies, but will be encouraged to utilize his vacation and spare time in training for productive activities. It is the patriotic duty of the parents not only to see that their sons join the Reserve, but to spread the Gospel of the Reserve among other fathers and mothers.

To The Employer
The Reserve has proved conclusively that, even though inexperienced the strong, healthy boy, inspired by patriotism, is a capable and adaptable helper in field and factory. Every employer should remember, however, the limitations of youth, and no employer should work members of the Reserve long hours. The Reserve has been firm in upholding child labor laws and in contending for reasonable hours of toil. The Reserve recommends supervision of boy laborers and frequent inspection of working conditions. The boy of today is the man of tomorrow, and the future of the nation depends upon the moral and physical welfare of its boys.

Toll of Freedom
Young men, are you giving your best to your country? Fathers and mothers, are you guiding your sons into the paths of greatest usefulness to the nation? Employers, are you using men that your country needs in the war emergency while you selfishly shirk from the task of training the youths who, though inexperienced, are fired with patriotic impulse to do a man's work for you?
Young men of America! join the Reserve! Parents of America, endorse the Reserve! Employers of America, endorse the Reserve!

use the Reserve!
WILLIAM E. HALL,
National Director.

What They Say of the Boys
"These boys have opened our eyes. Most of the farmers refused to consider the matter at first; city boys would be only in the way, they thought. I'll confess I was skeptical myself, but some of us agreed to take a boy or two and see what happened. Well, we have about 400 here now, and we want another 150 of the same kind right away." — Pennsylvania Farmer.

"There is only one suggestion I have to make: Send more boys." — Long Island Farmer.

"Nearly one thousand acres of land in cotton have been hoed and thinned by our boy squads to the great satisfaction to the owners of the land. There is an increasing demand for the boys, and their work is being done along strictly business lines, as they run their own commissary, pay their own bills, and thus far have made a net profit over the cost of operating of more than \$1,200." — From Report of Lindley B. Orme, Arizona State Director.

What the Boys Say
"This is the life! The farm is certainly a healthy place. I have gained three and a half pounds in the week I have been here. The work, though somewhat heavy, is very enjoyable and every one on the place is good to us."
"Regarding farm life, I have not grown tired of it yet. But I may as well tell you again that it is no cinch. I work from the time I get up in the morning until I retire at night, but for some unknown reason, I seem to enjoy it."

SECRETARY OF WAR IN FRANCE

In the headlines of The Herald of Monday, making announcement of Secretary Baker's presence in Europe, it was written: "Secretary Baker in France; Bitter Fighting Seems Near."

It is well that Secretary Baker has gone to France. It would have been better had Mr. Baker, when Mayor of Cleveland, then a pacifist gone to France in the dark days of 1914. Had he been brought near to the tragedies in Belgium and in France he would not have been lulled to fancied security in 1916 by the knowledge that the war was "three thousand miles away." If he is near where bitter fighting takes place he may come to a realization of the fact that this war is a war to the death; a war to be won by heroic men, ready to give their lives to save America from the fate of France and Belgium. When Secretary Baker comes to that realization there will be a different tale to tell by him, and whatever of influence he has will be exerted to speed up instead of to delay our preparations.

A POPULAR VERDICT

Based on Evidence of Maysville People.

Grateful thousands tell it—Of weak backs made strong—Of weak kidneys made well—Urinary disorders corrected. Maysville people add their testimony. They praise Doan's Kidney Pills. Maysville evidence is now complete. Maysville testimony is confirmed: Reports of early relief substantiated. Merit doubly proved by test of time. Let a Maysville citizen speak. Fred Dresel, tailor and justice of the peace, 1238 East Second Street, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

Mr. Dresel gave the above statement on February 5, 1908, and on November 14, 1915, he added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them." Mr. Dresel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Dresel had—the remedy backed by home testimony. 60c at all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

Fortunately while he is gone a real soldier is in Washington, General March. The General Staff will be reorganized in accordance with General March's views, and America may expect real work to be done.—Lexington Herald.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Speaking of high averages, what do you say to the following?
Farmers & Planters Houses to and including Feb. 15, averaged \$23.63
The Maysville Market for the same period averaged \$21.75
Our Houses have averaged \$1.88 higher than the market.
Our sales from February 15th to February 21st, amounting to 500,005 pounds, averaged \$26.11. This is no new thing for our houses, as the reports for the entire market show every year that our averages are higher all the time than the entire market. You want all the money you can get out of your crop, so why not sell it where you are sure of getting a substantial advance over the price you would receive elsewhere?

MASON COUNTY COURT

In the Mason County Court yesterday a paper bearing date of October 10, 1917, and purporting to be the last will and testament of Martin Hanley, deceased, was produced in court and filed. The due execution of said paper was fully proven by the testimony of M. J. McCarthy and Frank McCarthy, attesting witnesses thereto, and was admitted to probate. By the terms of the will Mr. Hanley left his entire estate to his widow, Mrs. Bridget Hanley.

Mrs. Bridget Hanley, named in the last will of Martin Hanley, deceased, as executrix, appeared in court and qualified as such without bond, as was requested in the will.

The sale bill of Mrs. Mary Jefferson, deceased, was produced in court, filed and ordered to be recorded. Robert L. Hoeflich was appointed administrator of the estate of Miss Mary Clark, deceased, and he qualified as such with R. K. Hoeflich as surety on bond.

STYLE WEEK

To Be One of the Big Events of the Season—Some Big Things Planned—Will Begin on Tuesday Night, March 26.

Quite a number of merchants attended the meeting of the Trade Extension Division at the Chamber of Commerce Wednesday evening in the interest of Style Show Week.

Chairman C. E. Dietrich of the Trade Extension Division told the merchants of the many advantages to be derived from the Style Show and urged that every merchant in the city participate in the affair in order that it be a grand success.

A Committee consisting of Messrs. C. E. Dietrich, Leon Squires, S. Straus and John Brisbois will call on the merchants and urge them to decorate the windows and stores and participate in the event.

The one pleasant feature about this event is that it will only cost the merchants a little extra effort and no doubt will prove quite a profitable affair. Each merchant is urged to carry a line in his regular ad calling the attention of the public to the fact that March 26 to 31 will be Style Week.

The event will start on Tuesday night, March 26. The committee plans to have the business section darkened between 6:30 and 7:15 and when the merchants remove the curtains from their windows and the lights are turned on the city will be a mass of light and beauty.

The picture theaters will be asked to have feature pictures for that evening and after the shows the prize will have been awarded to the best window trimmed.

The committee expects to have 5,000 people parading the business district on that night and there is no reason why this cannot be done if all the merchants work together and the country people are invited in to spend the evening with us.

Messrs. P. J. Murphy, K. H. Frank, Ferd Hechinger, A. L. Merz, J. M. Hunt, H. H. Barkley, R. G. Knox, Mike Brown, H. P. Purnell and T. M. Russell were appointed a committee to meet at the Chamber of Commerce Friday night to make further arrangements.

CHARLESTON IN THROES OF WORST FLOOD SINCE 1901: SUFFERING ACUTE

Charleston, W. Va., March 14—Charleston tonight is gripped in the throes of the worst flood since 1901. Business is at a standstill with water in the cellars of the principal business houses of the city. Over three square miles of territory, it is estimated, is affected in the residential section of the city and in the suburbs. Water is in several sections in the second stories of the houses in the lowlands while numerous stores are flooded. The suffering is acute in these sections and many pitiful tales have been reported to the police. The rivers have been stationary all day but another torrential rain fell this afternoon and should it prove to be general over this section it will bring the rivers to a much higher stage.

Reports received from Campbell's creek said that a big washout had occurred on the creek, that bridges were torn away, that several small villages were inundated and property loss is great. Newspapers in Charleston were unable to publish today because of the lack of power and the city is in total darkness tonight.

The entire Elk Valley is entirely isolated from the rest of the country, so far as telephone, telegraph and railroad service is concerned. Coal and Coke Railroad official said they were only about to run trains ten miles up the river and that one hundred miles or more of the valley was unheard from.

The slides on the C. & O. east of Fayette, W. Va., have all been removed and trains No. 2 and 4 will go through today without detouring.

WOMEN OF MIDDLE-AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—“During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life.”

—Mrs. FRANK HENSON, 1316 S. Orchard St., Urbana, Ill.

Women who suffer from nervousness, “heat flashes,” backache, headaches and “the blues” should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.
